

"Putting the recruit back into Recruitment"

You are invited to the launch of the hottest Induction and Training breakthrough in the Australian Recruitment and Human Resources industry!

- Is attrition costing your organisation thousands of dollars?
- Are you attracting the best possible recruitment consultants?
- Would you like pre-inducted, savvy consultants able to hit the ground running?
- Are you getting the best value for your recruitment dollar?

Recruitment Academy's mission is to "put the **recruit** back into **Recruitment**" and offer the Recruitment Industry a vehicle to send your new recruits to be thoroughly inducted into the "real day-to-day" life of a Recruitment Consultant. Alternatively, Recruitment Agencies will have access to select job ready pre-inducted "Academy graduates"

Join us at our launch to discover how you can best reduce in-house training costs (and headaches) whilst offering your customers quality consultants.
